PAVECARE recently reconstructed and resurfaced my driveway. I found this locally run family business satisfactory in every way. They completed the job efficiently, within budget, in the time agreed and to a high professional standard.

I am very happy to recommend them to anyone who is looking for a reliable and competent firm that takes a pride in offering its clients superior workmanship.

Re: Pavecare Driveways and Patios

Pavcare have recently completed a new and extended monoblock paved drive for us at this address.

Work was completed on programme to a very high standard by a friendly and considerate team.

We have no hesitation in recommending Pavcare to anyone considering work of this type.

RE: Letter of Recommendation for the works of Pavecare Driveways & Patios

To Whom it May Concern,

I am writing this letter to anyone considering using the services of the above mentioned company.

I would like to state that I have just had my driveway completed by Pavecare and the works have been completed to an exceptionally high standard within an extremely fast programme. All the tradesman including the principals from this company conducted themselves always with the upmost professionalism and honesty towards my family, fellow neighbours and myself.

I would without any doubt gladly recommend this company to anyone based on the experience I have had with them and also I will certainly be contacting them for further landscaping/gardening works in the very near future.

Please feel free to contact me if you require any further reassurance.

Kind regards
